SUPPLEMENT 1 - Investigation

(INVESTIGATION)

While [redacted] was en-route to the Riverton Police Department, he contacted [redacted] and [redacted]. [redacted] was asked to process the crime scene at Walmart and [redacted] was asked to obtain a list of eye witnesses, including contact information, and conduct personal interviews of those witnesses.

When [redacted] arrived at the Riverton Police Department, he spoke with Chief Murphy. Chief Murphy informed [redacted] that Officer [redacted] was at the Police Department, in a conference room, and that Detective Jacob Nation would be conducting an administrative review of the incident.

[redacted] then met with Riverton Police Detective Jacob Nation. During this meeting [redacted] was informed of the following information:

Officer [redacted] responded to Walmart for the report of an intoxicated person, riding a motorized scooter harassing customers. Officer [redacted] located Anderson ANTELOPE and "Anderson ANTELOPE tried to stab [redacted]". Detective Nation told [redacted] that he had already collected Officer [redacted] sidearm and magazine from the sidearm. Detective Nation said that he had counted the rounds in the sidearm and he found 12 rounds in the magazine and one round in the chamber of the sidearm. The Detective had placed the sidearm, magazine and rounds in separate plastic evidence bags. These items were then secured in Detective Nation's locked office. Detective Nation also took photographs of Officer [redacted] in uniform (Those photographs were later turned over to [redacted] on compact disk and have been included with this report as a property item).

A short time later, [redacted] met with Officer [redacted]. Present with Officer [redacted] was Riverton Police Officer, LaMar Dixon. Officer Dixon was with Officer [redacted] as a personal representative. It should be noted that they are also close personal friends. [redacted] asked Officer [redacted] if he could provide a brief statement about what had transpired. It should be noted that [redacted] was careful to explain to Officer [redacted] the purpose of this was only to obtain enough information to process the scene and determine what resources may be needed by DCI. [redacted] also explained that he would be asking Officer [redacted] for a more complete and detailed statement at a later time. Officer [redacted] informed [redacted] that he would voluntarily provide what amounted to a brief synopsis of the events and that he was represented by legal counsel. He also said, that once he had spoken with his attorney, he would schedule a more in-depth interview.

Officer [redacted], Officer Dixon and [redacted] went to the Riverton Police Department interview room. In summary, Officer [redacted] told [redacted] the following information:

He was dispatched to Walmart for the report of an intoxicated male, riding an electric scooter, harassing customers. Officer [redacted] was told that the person was Anderson ANTELOPE, Senior. Officer [redacted] said he arrived in the area, and observed A.

ANTELOPE seated at a table in the "veteran's BBQ at the front of the store." Officer [REDACTED] made "consensual contact" with A. ANTELOPE and during this contact it became clear to Officer [REDACTED] that A. ANTELOPE appeared to be intoxicated. A. ANTELOPE told Officer [REDACTED] that he was sick and needed to go to the hospital. Officer [REDACTED] retrieved his portable breath test device and attempted to work with A. ANTELOPE to determine a blood alcohol level. However, A. ANTELOPE was unable to provide a sufficient breath sample for the device to properly register. Officer [REDACTED] told A. ANTELOPE that he was being placed under arrest, to which A. ANTELOPE told Officer [REDACTED] he was going "to need backup" (implying that Officer [REDACTED] was not going to be able to arrest A. ANTELOPE alone). At this point, Officer [REDACTED] had both his right and left hands on A. ANTELOPE's left arm, holding him by the elbow and wrist. At about this time, Officer [REDACTED] felt A. ANTELOPE's left arm "tense up" and then he heard and felt a "thud" to the center of his chest. Officer [REDACTED] looked down and saw a silver bladed knife had just impacted his chest area, striking his chest plate. A. ANTELOPE was pulling the knife away from Officer [REDACTED], but still had it in his right hand. Officer [REDACTED] drew his duty weapon with his right hand, pointed it A. ANTELOPE and said three (3) times, "Drop the knife" (the officer was still holding A. ANTELOPE with his left hand, at A. ANTELOPE's wrist). A. ANTELOPE failed to drop the knife. Officer [REDACTED] felt A. ANTELOPE tense up a second time and saw that A. ANTELOPE was bringing the knife towards him again. Officer [REDACTED] aimed and fired a single round to A. ANTELOPE's head. The bullet impacted A. ANTELOPE in or around the ear area according to Officer [REDACTED]. Officer [REDACTED] then released A. ANTELOPE as he fell to ground.

[REDACTED] asked if Officer [REDACTED] had a change of clothing as his uniform and duty gear would be collected. Officer [REDACTED] contacted his spouse and arranged for clothing to be brought to the police department. Additionally, Officer [REDACTED] offered to provide a urine sample. This was collected as well as the officers clothing, duty gear and boots at approximately 3:30 p.m., by [REDACTED]. All of these items were secured in Detective Nation's office by [REDACTED].

A short while later, Officer [REDACTED] contacted [REDACTED] and said that he had spoken with his attorneys, and had set a meeting date and time of Sunday September 22, 2019, at 3PM. Officer [REDACTED] said he would provide a statement at that time. [REDACTED] had no additional contact with Officer [REDACTED] on September 21, 2019.

Officer [REDACTED] estimated that he had previously trained with his firearms approximately two (2) weeks prior to the interview ([REDACTED] [REDACTED] later obtained a copy of Officer [REDACTED] last pistol qualification from Riverton Police Officer Peter McCall. It was dated April 3, 2019. A copy of this document has been included with this report as an enclosure).

On September 21st, 2019, Officer [REDACTED] began his regularly scheduled shift at approximately 5:48 a.m. He was assigned regular patrol duties, and began taking calls as they came in. He also told [REDACTED] that this was his last day in his shift rotation and would be taking days off after the shift concluded.

[REDACTED]

Officer [REDACTED] stated that around 1:35 or 1:36 p.m., his shift partner (Officer Randy Foes) was dispatched to Walmart for the report of an intoxicated male named "Anderson Antelope" who was driving one of the electric shopping carts around the parking lot at Walmart, "harassing people and asking for money, getting in the way of traffic, that sort of thing". Because Officer Foes was "otherwise engaged on Main Street (getting a haircut)" Officer [REDACTED] called Officer Foes and said he would go to the Walmart call, and that when Officer Foes was freed up, he should join Officer [REDACTED].

Officer [REDACTED] has only had a "few interactions" with A. ANTELOPE in the past. The most recent was described as approximately two (2) weeks prior, A. ANTELOPE was in the Riverton Emergency Room, requesting to speak to an officer because he had been involved in a game of "Russian roulette" and one of the other parties had apparently shot themself during this game. A. ANTELOPE was upset and somewhat distraught as a result of this. A. ANTELOPE told Officer [REDACTED] that after the person shot themselves in the head, he and the other parties to the game, took the body and dumped it somewhere on the Wind River

Indian Reservation. While Officer [REDACTED] was interacting with A. ANTELOPE, A. ANTELOPE's behavior was very "up and down". Officer [REDACTED] went on to say that A. ANTELOPE was very calm at some points and at other's he was yelling, swearing, and calling Officer [REDACTED] "a motherfucker, balling up his fists saying he was going to kick my ass". Officer [REDACTED] believed that A. ANTELOPE was intoxicated during this interaction at the hospital. In an effort to deescalate this particular situation, Officer [REDACTED] chose to wait outside of the room until officers from the BIA arrived to speak with A. ANTELOPE. [REDACTED] reviewed Officer [REDACTED] report regarding this incident. [REDACTED] noted the only entry in the report narrative was the following, "Assist BIA with a suspicious circumstance. No action taken." (A copy of the RPD incident report has been included with this case file as an enclosure R19-07481)

On Wednesday, September 18th, 2019, Officer [REDACTED] was dispatched to the Riverton Emergency Room to take a report from A. ANTELOPE who was reporting that he had been the victim of [REDACTED]. Officers Foos and [REDACTED] met with A. ANTELOPE in the Emergency Room. During this interaction with A. ANTELOPE, Officer [REDACTED] described him as being "compliant, talkative and pretty aware of what was going on". This particular incident was referred to the Fremont County Sheriff's Office for investigation since it occurred in the county jurisdiction and not within the city limits of Riverton.

Regarding the contact with A. ANTELOPE on September 21st, 2019, Officer [REDACTED] drove to Walmart at a normal rate of speed, and did not respond in an emergent manner. Upon arrival, he looked in rows four (4) and five (5), which were where he was told A. ANTELOPE had been. He did not locate A. ANTELOPE in those area. Officer [REDACTED] then located a person he knew to be A. ANTELOPE sitting at a picnic table, at the front of the store where a BBQ was being held to benefit veterans. A. ANTELOPE was sitting in a folding chair at a picnic table "eating something, but I couldn't tell what it was initially".

Officer [REDACTED] parked his car, and then walked around behind A. ANTELOPE to observe what he was doing. Noting nothing of concern, he walked up to A. ANTELOPE, established a "consent contact with Anderson and asked him how he was doing." Officer [REDACTED] determined that because of the smell of alcohol coming from A. ANTELOPE, his slurred speech and red, watery eyes, A. ANTELOPE was intoxicated. A. ANTELOPE was "understandable, but didn't answer at a rate and pace that a sober person would". During this contact A. ANTELOPE remained seated and was eating a hot dog.

During the contact with A. ANTELOPE, he told Officer [REDACTED] that he wanted to be taken to the hospital. Officer [REDACTED] was concerned that A. ANTELOPE did not have medical issues, but only issues related to being intoxicated. When A. ANTELOPE was asked "what hurts, have you been sick?" He was unable to provide Officer [REDACTED] with any information. However when asked if he had been drinking, A. ANTELOPE said he had been. Officer [REDACTED] asked A. ANTELOPE if he would be willing to take a portable breath test (PBT). A. ANTELOPE agreed to take the test. Officer [REDACTED] gave A. ANTELOPE numerous attempts to take the PBT, but A. ANTELOPE was unable to provide a sufficient

enough sample to obtain a blood alcohol level.

During the final attempt to get a breath sample from A. ANTELOPE, A. ANTELOPE spits through the breath tube and Officer [REDACTED] sees spit come out the end of the tube. Officer [REDACTED] removes the tube from the PBT and "goes to set it on the table... And it lands in his tray". He then tells A. ANTELOPE that he is under arrest for public intoxication. A. ANTELOPE becomes angry about the tube landing in his tray and begins to yell at Officer [REDACTED] saying, "you put trash in there". Officer [REDACTED] tells him that he "didn't mean to" but that he needs to come with the officer. A. ANTELOPE refuses to comply and states "no I am sitting here and eating my hot dog". Officer [REDACTED] says that A. ANTELOPE is yelling this. Officer [REDACTED] said that he told A. ANTELOPE that he would bring the hot dog to the jail, and A. ANTELOPE could eat it there. According to Officer [REDACTED], A. ANTELOPE "starts escalating, so I use a...basically a wrist tris control escort position, grab his left arm and get a hold of him, at which point he looks at me and says 'You're gonna need help, you're not big enough, [sic] not going anywhere.' According to Officer [REDACTED], A. ANTELOPE is yelling this at him. Officer [REDACTED] tells A. ANTELOPE to calm down and that he doesn't "want to hurt" him. At about this same time, a member of the veterans BBQ starts speaking to Officer [REDACTED]. This person is trying to explain why A. ANTELOPE is there, and they had provided A. ANTELOPE a hot dog. While this interaction was going on, Officer [REDACTED] began to feel "tension" in A. ANTELOPE's left arm. At the same time, he noticed a "little bit of movement, and about the time I looked down, I saw him impact the center of my chest with a fixed blade knife". Officer [REDACTED] then described that the knife was in A. ANTELOPE's right hand, with the "blade up from his thumb, with the hilt down." Stating that A. ANTELOPE had struck him "right dead center of my...rifle plate, and it hit hard enough that I felt it through the rifle plate." He told [REDACTED] that as A. ANTELOPE was swinging the knife towards him, he yelled "Arrrggggh" as the knife was being moved forward.

Officer [REDACTED] then let go of A. ANTELOPE with his right hand but continued to hold on to him with his left hand, thereby maintaining control of A. ANTELOPE's left wrist. Officer [REDACTED] did not want to release A. ANTELOPE completely because of the "close proximity of everybody around". Officer [REDACTED] estimated that there was six (6) to ten (10) people within five (5) to ten (10) feet of A. ANTELOPE. Officer [REDACTED] stated emphatically to [REDACTED] that he was fearful that if he let go of A. ANTELOPE "he would go after somebody else". He was also fearful that if he released A. ANTELOPE's left wrist, he would try to stand up and "over power me, he is a pretty big guy he is about 6'3" and probably 280, he's a big dude". Officer [REDACTED] then stepped back, drew his pistol and noticed that he could see a lot of people in the background behind A. ANTELOPE. Officer [REDACTED] said he then took a step to his left, because he saw a small opening of space between people in that direction. He had pointed his pistol directly behind A. ANTELOPE's left ear. A. ANTELOPE had retracted the knife back again, indicating to the officer that he was going to strike him again with the knife, only this time, A. ANTELOPE was looking "up towards me". Officer [REDACTED] said he then gave A. ANTELOPE "very loud commands to drop the knife". Officer [REDACTED] thought he have him two (2) to three (3) commands and then began to feel the tension in A. ANTELOPE's left arm again. He also saw A. ANTELOPE's shoulder begin to "angle towards" him. Officer

[REDACTED] fired a single round either directly behind or into A. ANTELOPE's ear. The shot was placed in such a manner that Officer [REDACTED] was "hoping" to get a "central nervous system hit" and stated that because of the "close proximity" he could not "shoot him anywhere else to get him to immediately stop the attack".

After A. ANTELOPE was shot, he fell down, out of the chair and to the ground. He still had the knife in his hand at this point. Officer [REDACTED] then took the knife from A. ANTELOPE and tossed it away from him. After removing the knife from A. ANTELOPE, Officer [REDACTED] "looked at him, saw that there were no signs of life, the wound did not appear survivable".

He then contacted dispatch via radio and notified them that shots had been fired and that he had shot A. ANTELOPE in the head because "he tried to stab me in the chest". Officer [REDACTED] then told people to step away and monitored the scene until other officers arrived. While this was happening Officer [REDACTED] was approached by two (2) members from the BBQ. One of them was upset with the officer for shooting A. ANTELOPE. Officer [REDACTED] told him to step away. The other member told the officer that "that guy got what he had coming, he shouldn't have done that, I saw him try and stab you in the chest".

Utilizing a tarp from the BBQ, Officer [REDACTED] attempted to build a makeshift barricade to shield A. ANTELOPE from the view of the public in the parking lot.

Officer [REDACTED] thought that Sgt. Peters arrived on scene first, followed by Officer Foos, Deputy Sullivan, Deputy Bench and Chief Murphy. EMS personnel arrived on scene as well as Deputies Moss and Zertuche (plain clothes). He stood by in the shade and spoke with Sgt. Peters. During their conversation, Officer [REDACTED] pointed out various witnesses that would have seen what happened (this information was later provided to [REDACTED] for interviews).

The interview with Officer [REDACTED] was terminated at approximately 3:33 p.m.

Sergeant Peters advised in brief that he was on regular patrol when he overheard Officer [REDACTED] being dispatched to the Riverton Walmart for a report of a disorderly person. Sergeant Peters began traveling to Walmart to assist Officer [REDACTED] with the call. Sergeant Peters stated he was in the construction zone on North Federal Boulevard and still several blocks from Walmart when he heard Officer [REDACTED] announce shots fired over the Police radio. Sergeant Peters arrived at Officer [REDACTED] location a short time later. Sergeant Peters stated that upon arrival he observed ANTELOPE to be laying in a large pool of blood and appeared to be deceased. Sergeant Peters requested an ambulance via Police radio and immediately approached Officer [REDACTED] to determine his condition. Sergeant Peters described Officer [REDACTED] as being "kinda dazed", however Officer [REDACTED] confirmed he (Officer [REDACTED]) did not require medical attention. Sergeant Peters advised Officer [REDACTED] stated "he had a knife, it's a good shoot". Officer [REDACTED] also informed Sergeant Peters that he had been "stabbed in the chest".

Sergeant Peters further stated that after he confirmed Officer [REDACTED] did not require medical attention he began securing the scene and contacting witnesses. Sergeant Peters advised he contacted 6-7 witnesses and obtained contact information. Sergeant Peters stated the brief witness statements he heard were all very consistent. The list of witnesses obtained by Sergeant Peters was later provided to [REDACTED]. Those who were on the list, have been interviewed and reports of those interviews are documented in this case file.

While securing the scene and contacting witnesses, Sergeant Peters stated a male (identified as Chuck Arndt) from the Veterans group started approaching Officer [REDACTED] in an aggressive and confrontational manner. Sergeant Peters had to stop what he was doing and deal with the escalating situation. After that situation deescalated, Sergeant Peters continued speaking with witnesses and securing the scene.

Sergeant Peters had nothing further to report and the interview was concluded.

SUPPLEMENT 11 - INTERVIEW/GWENN CONNOR

(INTERVIEW/Gwenn Connor)

On September 21, 2019, [REDACTED] interviewed G. Connor at the Riverton Police Department, in Riverton, Fremont County, Wyoming, in regards to being a witness to the Officer Involved Shooting at the Riverton Walmart. In the beginning of the interview, G. Connor provided her name, date of birth and a current phone number.

Connor stated to [REDACTED] that on September 21, 2019, just before 2:00p.m., was when she believed the incident involving the Officer and the male took place. She stated that she was ordering food at a food trailer located in the Riverton Walmart parking lot. She explained she saw the male sitting alone at the south table. She stated that her and the male had said hello to one another and asked how their days were going.

Connor continued and told [REDACTED] that she thought the male was eating a brat when she saw an Officer walk up to the male. Connor explained she wasn't able to hear what was initially was being said between the Officer and the man but did hear the Officer ask, "Will you blow for me?" Connor said she believed the man was talking about a female but could not quite hear what was exactly being said.

Connor said the next thing she heard was the male ask, "Could you just take me to the hospital?" She stated the Officer responded by saying, "Will you blow for me?" Connor then heard the male state, "Yes".

Connor then saw the Officer walk to his vehicle and retrieve a breath test machine. Once the Officer returned to the male, she heard the Officer state something to the extent of, "No, you need to blow." Connor then heard the male say, "Can I take my food." And the Officer respond, "Yeah you can take your food." She said the Officer then attempted to have the male blow into the portable breath test machine again.

Connor told [REDACTED] that she heard the Officer state, "You can't spit in the straw, you have to blow. I'm just going to take you." Connor said the Officer then threw the straw onto the plate of food that was in front of the male. Connor stated the male then said, "Now you're pissing me off."

Connor explained she saw the Officer use his left hand to grab the male by the male's left wrist. Connor said everything happened very quickly and she was unsure of where it came from but observed the male twist, grab a knife with his right hand and hit the Officer in the chest with the knife. She said that the male swung the knife across his own chest to reach the Officer.

Connor then said that the Officer pulled his handgun out, pointed it at the male and said, "Drop the knife!" three times. Connor said that the Officer announced this loudly but did not step away and maintained a hold of the male's left wrist. Connor then said the Officer shot

the male and continued to hold his wrist until he, the male, was on the ground. [REDACTED] asked Connor if she observed the male make any other threatening gestures or movements towards the Officer. Connor stated she did not think that he did.

Connor said the next thing she observed was the Officer get on the radio and say that there had been shots fired.

Connor said she believed within the next two minutes or so, a veteran had cut a piece of tarp to cover the male and that the scene was being taped off by other law enforcement officer on scene.

Connor told [REDACTED] that she wondered why the Officer had not used a taser and she did not believe that the male was bothering anyone or being disruptive.

Connor then told [REDACTED] that she saw the male earlier in the day and that he was in an electric cart and that someone was pushing him through the Walmart parking lot towards the store.

Connor also told [REDACTED] that later in the afternoon, while speaking with her husband, she began to wonder if the Officer meant to pull the trigger or if he had a "hair trigger" and it accidentally went off. Connor explained to [REDACTED] that she and her husband are familiar with pistols, and often shoot them. She said because of this, a "hair trigger" is one that is very light and easily pulled.

After the interview, [REDACTED] recognized his recorder was not functioning. On September 23, 2019, [REDACTED] called Connor and explained the situation with the recorder.

While recording the phone conversation, [REDACTED] read over his notes from the interview with Connor to make sure there wasn't information that had not been documented according to what Connor had seen and/or heard.

[REDACTED] attached a copy of the recording to this case as an enclosure.

In the beginning of the interview, R. Walker provided his name, date of birth and a current phone number.

R. Walker arrived at the interview with a copy of a report he stated he prepared at his house after the shooting incident. The report was on a electronic storage device that [redacted] did not have access to open during the interview.

[redacted] asked if R. Walker would also be willing to talk to [redacted] about what he may had seen or heard in addition to the report he provided [redacted]. R. Walker agreed to speak with [redacted]. [redacted] and R. Walker established that he, R. Walker, was working at the Veteran BBQ being held at Walmart, where the shooting occurred.

R. Walker told [redacted] that he had seen ANTELOPE, who he referred to as "Man 1", earlier in the day. R. Walker stated it was apparent that Man 1 was intoxicated by his arrogant attitude, bloodshot eyes, slurred speech and so on. R. Walker said he has training in how to deal with intoxicated persons and attempted those tactics with Man 1. R. Walker stated ignoring the person was a tactic that he used.

R. Walker said Man 1 was awkwardly parked in an electric cart behind where R. Walker was seated and R. Walker asked Man 1 if he would move. R. Walker said Man 1 moved approximately one foot and said, "Good enough?" in an arrogant way. R. Walker said he tried to ignore Man 1 and later observed him driving the electric cart into Walmart and later came walking out and returned to the veteran barbeque.

R. Walker said that Man 1 purchased food from the veteran barbeque trailer and sat down by himself. R. Walker then saw an Officer arrive and speak with Man 1. R. Walker was seated a table that he estimated to be within approximately twenty feet north from Man 1.

R. Walker told [redacted] that he was unable to hear what the Officer and Man 1 were talking about but he saw the Officer go to his vehicle and return with a portable breath test machine. R. Walker told [redacted] he believed that Man 1 knew how to manipulate the breath test machine as it appeared he was asked several times to blow into it. R. Walker then observed the Officer tilt the straw which resulted in "spit" to pour out of the tube.

R. Walker said he stopped paying attention to what was going on with the Officer and Man 1 until he heard something loud. When R. Walker looked over and stated he saw the Officer holding Man 1's left arm and possibly say something into his radio. R. Walker then said the Officer moved quickly to Man 1's left side, drew his pistol and pointed it at Man 1's head. R. Walker heard the Officer yell, "Drop it or I will shoot!" R. (INTERVIEW/Foos, Randy)

On Thursday, September 26th, 2019 at approximately 10:20 a.m., [REDACTED] met with Riverton Police Officer Randy Foos at the DCI office located in Riverton, Wyoming. The purpose of this interview was to ascertain Officer Foos' knowledge of the shooting that occurred at the Riverton Walmart on September 21, 2019.

Officer Foos told [REDACTED] that his shift partner was Officer [REDACTED]. Officer Foos said he was dispatched to the call at Walmart, but because he was busy getting his hair cut, Officer [REDACTED] responded to the call first. As Officer Foos was finishing up his hair cut, he heard over the police radio, Officer [REDACTED] report that shots had been fired.

Officer Foos immediately left and responded to Walmart. Upon arrival he spoke with Officer [REDACTED]. He asked Officer [REDACTED] if he was "ok" to which Officer [REDACTED] told Officer Foos he was. Officer Foos then asked Officer [REDACTED] "what happened". In short, Officer [REDACTED] told Officer Foos that when Officer [REDACTED] located A. ANTELOPE, he had complained about having medical issues and needed to go to the emergency room. A. ANTELOPE was not compliant with a PBT and would not provide a sufficient sample. Officer [REDACTED] said that he told A. ANTELOPE that he was under arrest for public intoxication. Officer [REDACTED] placed his hands on A. ANTELOPE and as this happened one (1) of the bystanders from the veterans BBQ spoke with Officer [REDACTED]. Then Officer [REDACTED] said that he felt something strike him in the chest. He looked down and saw that it was a knife. As A. ANTELOPE was about stab Officer [REDACTED] again, he drew his weapon and "shot him point blank".

Officer Foos told [REDACTED] that he did not check A. ANTELOPE for a pulse but could tell that he had died. He did not see any movement of his chest moving up and down, nor was any part of his body moving. He also noted that he could see a large amount of blood running out of a wound on his head. Officer Foos did not know if Officer [REDACTED] checked A. ANTELOPE.

Officer Foos also told [REDACTED] that on a previous contact approximately one and a half weeks prior, A. ANTELOPE had threatened to stab him. Officer Foos was dispatched to a local gas station called "Good2Go" in Riverton, Wyoming for an intoxicated male. Upon arrival Officer Foos encountered A. ANTELOPE. During the contact, A. ANTELOPE claimed that he needed medical treatment. Officer Foos requested that EMS take A. ANTELOPE to the hospital. While at the hospital, A. ANTELOPE became agitated with Officer Foos and told Officer Foos what he was "going to take him out back and stab him". Officer Foos said that he did not respond to A. ANTELOPE's statement and later, during a pat down of A. ANTELOPE, he did not locate any knives on his person. [REDACTED] reviewed Officer Foos' report of this incident. [REDACTED] noted that previous statement regarding the threat of stabbing of Officer Foos was not included in the report. (A copy of this RPD Incident R19-07507 has been included with this report as an enclosure)

SUPPLEMENT 22 - INTERVIEW/Charles Arndt

201901243

(INTERVIEW/Charles Arndt)

On September 21, 2019, [REDACTED] interviewed C. Arndt at the Riverton Police Department, in Riverton, Fremont County Wyoming in regards to being a witness to the Officer Involved Shooting at the Riverton Walmart. In the beginning of the interview, C. Arndt provided his name, date of birth and a current phone number.

C. Arndt explained to [REDACTED] that he was a cook for the Veteran Barbeque that was being held at the Riverton Walmart. C. Arndt explained that there was a food trailer parked near the front of Walmart, in between the North and South entrances.

C. Arndt told [REDACTED] that he saw the male walking on the sidewalk in front of the food truck and he appeared intoxicated so he thought he should offer the male some food. C. Arndt said that the male asked what he was cooking and C. ARNDT told him that he could have a brat or a hamburger.

C. Arndt said that his brother, Jim Arndt, gave the male a brat and the male sat down at one of the tables provided. C. Arndt said the male was seated at the furthest south table, at the south east corner of the table.

C. Arndt said that he saw an Officer approach the male and it appeared that he was asking the male to leave. C. Arndt heard the Officer say something to the extent of the male's blood alcohol being too high. C. Arndt said he asked the Officer if the male could finish his food.

C. Arndt said the Officer kept trying to help the male to his feet but the male was not standing up and the Officer wasn't able to get him up.

C. Arndt stated that the male was facing away from the food truck, in an eastward direction and that the Officer was facing the food truck, more so in a westward direction. C. Arndt said he couldn't remember what he said but he stated something to the Officer which he felt distracted him and the Officer made eye contact with C. Arndt.

C. Arndt went on to say that at this moment, the male pulled a knife out of his right boot and swung it at the Officer ultimately striking the Officer in the chest. C. Arndt then said it appeared as if it knocked the Officer back. C. Arndt said the Officer took a step back, drew his handgun, pointed it at the male and said, "Drop the knife!" loudly. C. Arndt believed that the Officer said this two times and then fired his weapon.

[REDACTED] asked C. Arndt if he observed the male make any other movements towards the Officer with the knife. C. Arndt said that the male began to move forward towards the Officer again but thought maybe he was just moving it towards the ground. C. Arndt told [REDACTED] that he didn't feel like the male should have been shot and that the Officer should have taken the knife away from the male.

Moffitt was a potential witness to the Officer Involved Shooting at Walmart on September 21, 2019, in Riverton, Fremont County, Wyoming.

[REDACTED] asked D. Moffitt about what she had seen or heard. D. Moffitt stated she was leaving Walmart and was in a parking row south of the south entrance. D. D. Moffitt stated she didn't see anything other than that but her daughter was watching and saw the guy, "lunge at the Officer".

D. Moffitt said it happened so quick that she wasn't sure how the male was positioned but believed he was on his knees. She also believed that the gun was pointed at the males head. She stated she was unable to see the male's hand that the Officer was not holding onto.

SUPPLEMENT 26 - INTERVIEW/DANIELLE DANIELS

201901243

(INTERVIEW/DANIELLE DANIELS)

On October 1, 2019, [REDACTED] conducted an interview with D. Daniels over the phone. [REDACTED] had interviewed her mother, D. Moffitt, on September 25, 2019 and she essentially told Agent Wangberg her daughter had seen more of the incident than she had.

In the beginning of the interview, [REDACTED] established the purpose of the interview with D. Daniels.

While speaking with D. Daniels, she explained to [REDACTED] that she saw a guy sitting there and lunge at the Officer. She said that the Officer grabbed his arm and held it back away from him. The Officer then drew his gun and hesitated for a few seconds. D. Daniels then said she heard a shot and the male went down.

D. Daniels told [REDACTED] that the male was seated at a table by himself at the veteran event that was going on. She stated there were a few people next to the table and saw the Officer talking to the man and then the man lunged at the Officer. [REDACTED] asked D. Daniels to describe what she meant by "lunged". D. Daniels thought that the male had came out of his chair to go after the Officer but wasn't sure if he was still seated or not.

D. Daniels stated she was not close enough to hear anything being said between the Officer and the male but believed the Officer hesitated long enough to tell the man something before pulling the trigger.

D. Daniels described her location at the time of the Officer shot to be directly in front of the stores South entrance. She also described approximately nine to ten people in the area of the barbecue.

(INTERVIEW/Bell, Christina)

On Wednesday, October 9th, 2019 at approximately 2:00 p.m., [REDACTED] [REDACTED] conducted a non-custodial, recorded interview of Christina Bell (YOB/1970). This interview was conducted at Adam Phillips Law, 260 Lincoln Street, Lander, Wyoming. Present during the interview was C. Bell's attorney, Adam Phillips. It should be noted that according to Adam Phillips, the Araphoe tribe asked him to be present during C. Bell's interview with law enforcement. What follows is a summation of the interview with C. Bell.

C. Bell stated that she was at Walmart the afternoon of September 21, 2019 when A. ANTELOPE was shot. At the time, C. Bell did not know who A. ANTELOPE was. She stated that she had been shopping at Walmart, and while putting her purchases in her van, she noticed that the Veterans were having a BBQ. C. Bell stated that she had a house fire on September 13th, 2019 and thought that she could obtain some funding from the Veterans BBQ to help her with living expenses and/or repairs to her house.

C. Bell walked over to the BBQ area and was speaking with a Veteran member when she noticed that a police officer was holding A. ANTELOPE by the left arm. C. Bell noticed that "Anderson just planted himself on that chair, sat on the chair like nobody could get him off". C. Bell said that the officer had pointed his gun at A. ANTELOPE in the left side of his head or neck. Initially, C. Bell thought that the officer was pointing a tazer at A. ANTELOPE. She also noticed that A. ANTELOPE had a small knife in his right hand. C. Bell told [REDACTED] that the knife was only two to three inches long by showing him with her hands. C. Bell then heard A. ANTELOPE say "wait I'm eating". C. Bell continued to speak to the Veteran member and heard a pop. The pop is when the officer shot A. ANTELOPE.

C. Bell was adamant that A. ANTELOPE did not stab or swing the knife towards the officer stating that she watched the entire thing, other than "one to three seconds" when she took her eyes off of A. ANTELOPE while she was speaking to the Veteran member. C. Bell did not believe that it was possible for A. ANTELOPE to have stabbed the officer in that amount of time and stated that the officer shot A. ANTELOPE "for no reason". C. Bell said that she didn't "think he (officer) kicked him (A. ANTELOPE), but he rolled him over so nobody could see him".

After C. Bell saw what happened, she said she "was planted but made herself move", she returned to her car and informed her husband of what had just happened.

During the interview, [REDACTED] [REDACTED] provided C. Bell with an aerial photograph of Walmart. [REDACTED] [REDACTED] asked C. Bell to place an "X" where she was standing and a "O" where the officer and A. ANTELOPE were located. She did this and it was included with this report as an enclosure.

C. Bell also claimed that her husband saw the incident as well, however, she said she "can't vouch for him". [REDACTED] later watched the surveillance video, and noted that C. Bell's husband was seated in the car, and likely had his back towards the area where the

C. Bell told [REDACTED] that she had typed out on her computer a description of the events as she recalled them. [REDACTED] asked if she would provide a copy of the written description. C. Bell agreed to do this and would provide it to A. Phillips. C. Bell had no additional substantiative information to add and the interview was terminated at approximately 2:30 p.m.

A copy of the digital recording has been attached to this report as an enclosure as well.

On Thursday, October 10, 2019, [REDACTED] reviewed the Walmart surveillance videos for September 21, 2019. At approximately 1:50 p.m., C. Bell can be seen walking out of the south doors and going to her vehicle. A short time later she can be seen walking towards the Veterans BBQ, and goes out of sight of the camera. At approximately 1:54 p.m., C. Bell reappears in the camera, and is seen walking back towards her car. [REDACTED] was looking at camera labeled GM Exterior for this footage.

[REDACTED], through C. Bell's attorney, Adam Phillips, has made numerous attempts to interview C. Bell's husband regarding this incident. On Friday, October 18th, 2019 Mr. Phillips contacted [REDACTED] and told him that he had arranged an interview of C. Bell's husband for Monday October 21, 2019 at 9:30 a.m. The interview was to be conducted at Mr. Phillips law office in Lander, Wyoming. Additionally Mr. Phillips told [REDACTED] that C. Bell and her husband were requesting that he be present during this interview as well.

On Monday, October 21, 2019 at 9:30 a.m. [REDACTED] and Mr. Phillips met at the law office in Lander. C. Bell nor her husband arrived, also they did not answer repeated cellular phone calls. As of the date of this report, C. Bell has not returned [REDACTED] calls. She has not been in contact with Mr. Phillips either.

(INTERVIEW W/ SHERLEE MORRIS)

On Thursday, October 10, 2019, at approximately 1:43 p.m., [REDACTED] conducted an audio recorded interview with Sherlee Morris at Walmart, 1733 N. Federal Blvd, Riverton, Fremont County, Wyoming.

The following is a brief summary of the interview conducted with Sherlee Morris. It is not intended to be a verbatim account and does not memorialize all statements made during the interview. Communications by the parties were electronically recorded. The recording captures the actual words spoken. Thereafter, Sherlee Morris provided the following information:

Sherlee Morris advised on September 21, 2019, she had been sitting in her office (located in the south entrance vestibule) working when she was contacted by an employee who stated there had been a customer complaint of an intoxicated male driving around the parking lot on an electric cart trying to solicit money from customers. A few minutes later an employee got on the radio and called out for management. Sherlee Morris advised she would take care of it because she thought it was Anderson ANTELOPE driving around on the electric cart because he had been contacted recently for the same thing.

When Sherlee Morris looked outside she observed Anderson ANTELOPE make contact with a couple people. Sherlee Morris advised the battery on the electric cart died and Anderson ANTELOPE was pushed into Walmart (south entrance) by two (2) people. Sherlee Morris told Anderson ANTELOPE that he need to get off the cart and stop bugging the customers. Sherlee Morris told Anderson ANTELOPE that the police department had been contacted. Anderson ANTELOPE didn't say anything and walked out the south entrance and stood at the cement pylon. Sherlee Morris observed Anderson ANTELOPE walk over towards the VFW barbeque and sit at the folding table. While Sherlee Morris was waiting for law enforcement to arrive she observed a white sports utility vehicle (SUV) pull up in front of the VFW barbeque. A Native American male exited the SUV and walked over and spoke with Anderson ANTELOPE. The Native American male tapped Anderson ANTELOPE on the shoulder and walked back to the white SUV and left.

At this time Sherlee Morris advised that Officer [REDACTED] pulled up between rows four (4) and five (5) and she pointed in the direction of Anderson ANTELOPE. Officer [REDACTED] parked at the north end of the fire lane. Sherlee Morris said she walked over towards the window and observed Officer [REDACTED] standing by Anderson ANTELOPE as Anderson ANTELOPE sat at the table eating a hotdog. Sherlee Morris explained Officer [REDACTED] had his fingers in his outer vest and appeared to be talking with Anderson ANTELOPE. At that time, Sherlee Morris walked back to her office and continued with her work until an employee knocked on her office door advising she had heard a "pop". Sherlee Morris then walked over and observed Officer [REDACTED] and Officer Foes standing towards the corner of the building and Anderson ANTELOPE on the ground, face down with blood coming from the area of his head.

(DOCUMENT REVIEW/LABORATORY REPORT)

On Tuesday, October 15th, 2019, [REDACTED] [REDACTED] logged into the "BEAST" evidence reporting system. [REDACTED] [REDACTED] was able to retrieve a copy of a Laboratory Examination Report dated October 2, 2019 and signed by Kathryn C. Ertman, Forensic Analyst.

What follows is a brief summation of information contained within that report. A copy of the complete report has been included with this case file as an enclosure.

Analyst Ertman noted that the bullet retrieved from A. ANTELOPE during autopsy had been fired from the firearm Officer [REDACTED] was carrying at the time of the incident. Additionally, she noted that the cartridge casing that was retrieved from the scene was also "identified as having been fired from the Glock pistol" (Officer [REDACTED] firearm he was carrying at the time of the incident).

She also examined the duty vest that Officer [REDACTED] was wearing at the time. During this examination, Analyst Ertman noted the following:

"A small cut was observed half way down the vest on the Velcro flap. This cut appeared to only penetrate through the top-most layer of the vest and did not create any observed damage to the ceramic plate".

Because of the lack of damage, Analyst Ertman was not able to compare tool-marks to the knife that was recovered from the scene and reported by Officer [REDACTED] as the knife used to stab him in the chest area.

[REDACTED] explained that her, her mother as well as her husband were leaving Walmart and went to the area of the Veterans barbecue. She stated she was standing in the area of where A. ANTELOPE was and that he was being "mean and grouchy". She then said she was beginning to feel uncomfortable because it was becoming clear to her that the officer was going to arrest or have to take action with A. ANTELOPE. She took her elderly mother to the car in an effort to avoid being in the area of a potential altercation.

[REDACTED] said she began to walk away with her mother and her husband went to make a donation to the Veterans. She then explained their car was the closest to the handicap parking spot in the aisle leading to where the barbecue was located.

[REDACTED] described A. ANTELOPE as being "grumpy and agitated". She told [REDACTED] that she knows Officer [REDACTED] and again felt uncomfortable being there with her mom because it became clear to her that an altercation may occur. She said she doesn't know A. ANTELOPE but now knows the name based on articles since the incident. Throughout the interview with [REDACTED] [REDACTED] she referred to A. ANTELOPE as "Mr. Anderson".

[REDACTED] said that she was in the car trying to adjust a seat for her husband to put dog food into the car and her husband was watching the incident from the back of their car. She said she then heard a gun shot. She said she saw black smoke that she believed was from the gunpowder.

[REDACTED] said she put her mother in the car and her husband went into Walmart to get their kids who were at Subway. [REDACTED] said that she then went into the store to also get her kids.

Once they were out of Walmart, [REDACTED] said she told her husband he needed to give a statement of what he saw. She also said she was concerned for Officer [REDACTED] and thought that her husband's statement could help.

[REDACTED] said her mother did not see the incident take place. She also said she only saw Officer Donahue tap A. ANTELOPE and tell him he needed to go but because of A. ANTELOPE not being cooperative, she felt she needed to leave the area.

(INTERVIEW/A. Antelope, JR)

On October 18th, 2019, [REDACTED] conducted a non-custodial interview of Anderson Antelope, Jr. [REDACTED] at the Riverton Police Department, Victims Witness Office. During the audio recorded interview, A. Antelope, Jr. stated substantially the following:

A. Anderson, Jr. is the child of A. ANTELOPE. He last spoke to his father approximately one year prior while his father was in the Wyoming State Hospital for "liver failure". A. Anderson, Jr. described his father as loving, helpful and kind. He told the Agents that his father was never violent, and that he was handicapped and required the use of a metal walker.

During the course of the interview, A. Antelope, Jr. said his father "would never do that" (stab a police officer). When asked if he knew what had happened to his father, he told the Agents that the police had been called to a restaurant at Walmart, and they "antagonized" his father and shot him.

A. Antelope, Jr. told the officers that he wanted to watch the video footage of the incident, noting that Walmart had several cameras and that some of the cameras would have recorded it. He also asked if he could speak to Officer [REDACTED] (specifically naming the officer). When the Agents asked him what he would speak to the officer about, A. Antelope, Jr. said that it was between him and the officer.

At the conclusion of the interview, A. Antelope Jr. asked the Agents what was going to happen next. [REDACTED] explained that the investigation was still ongoing and that once it was completed, it would be forwarded to the Fremont County Prosecuting Attorney for review.

It should be noted that A. Antelope, Jr. was visibly upset during the interview, crying at times. A member of the victims advocate team was with him, and they were attempting to obtain counseling services for him.

The interview was terminated at approximately 11:00 a.m., and a copy of the recording has been attached to this case file.

SUPPLEMENT 38 - INTERVIEW/Steven Amos

(INTERVIEW/Amos, Steven)

On Monday, October 21st, 2019, at approximately 10:00 a.m., [REDACTED] [REDACTED] conducted an interview with Steven Amos [REDACTED] at the Fremont County Detention Center in Lander, Wyoming. Amos was in the custody of the Sheriff [REDACTED] [REDACTED]. Amos is a younger brother to A. ANTELOPE. The purpose of this recorded interview, was to learn more information about A. ANTELOPE from Amos. Amos stated substantially the following information during the interview:

Amos told [REDACTED] [REDACTED] that A. ANTELOPE was a comical, caring and sentimental person. He also said that A. ANTELOPE "probably doesn't know that he is dead". Eluding to the amount of alcohol that A. ANTELOPE would drink by saying "he can get pretty intoxicated". He said that A. ANTELOPE would not "go out and do something like that" and that he didn't know "what he was thinking" (stabbing the officer).

Amos had not ever seen his brother get into a fight, he has never seen him hit another person or get into any type of physical altercation. He also told [REDACTED] [REDACTED] that on occasions in the past, when the police have arrested A. ANTELOPE, he always saw him go peacefully and without incident, stating "he must have been really intoxicated, blacked out drunk", referring to the incident at Walmart.

According to Amos, A. ANTELOPE had numerous mental health issues and had several commitments to the Wyoming State Hospital. He did not think A. ANTELOPE would ever commit "suicide by cop" but would rather try to kill himself. Amos thought that in the past, A. ANTELOPE may have tried to hang himself.

Amos described A. ANTELOPE's biggest issue as alcohol "mixed with being homeless". Amos talked at length about his own behavior and A. ANTELOPE's behavior when they were sober. He described it as remarkably different telling [REDACTED] that the only time he has gotten into trouble was after he was drinking.

A copy of the interview recording is attached to this case file as an enclosure.

The interview was terminated at approximately 10:35 a.m.
